

Dr. Jitendra B. Mali

(Academic and Professional Profile)

Dr. Jitendra B. Mali is a distinguished academician and sports educator known for his dedicated contribution to the field of Physical Education. With a strong academic foundation and specialization in Hockey, he has consistently worked towards the promotion of sports, physical fitness, and educational excellence.

Dr. Jitendra B. Mali holds a Master of Arts (M.A.) in Marathi, Master of Physical Education (M.P.Ed.), and a Doctor of Philosophy (Ph.D.) in Physical Education. His area of specialization is Hockey, where he has developed deep expertise in both theoretical and practical aspects of the game.

He is currently serving as a Lecturer at P. S. G. V. P. Mandal's Arts, Science and Commerce Junior College, Shahada, District Nandurbar. Through his teaching, he has inspired many students to adopt sports as a discipline for physical fitness, character building, and holistic development.

Dr. Jitendra B. Mali has made valuable contributions to academic research in Physical Education. He has published several high-quality research papers in national and international journals, reflecting his scholarly engagement and commitment to advancing knowledge in sports science, physical education, and fitness studies.

He has actively participated in numerous national and international conferences related to Physical Education, Sports, and Yoga. These academic engagements have enriched his research perspective and contributed to professional exchange in the field.

Authorship

In 2024, Dr. Mali authored an important reference book titled: **“Playground Construction, Dimensions and Equipment Manual (The Sports Rules Book)”**. This work serves as a practical and technical guide for sports infrastructure, providing standardized information on playground construction, measurements, and sports equipment, and is valuable for educators, coaches, and institutions.

Dr. Jitendra B. Mali stands as a committed educator, researcher, and author whose work has significantly contributed to Physical Education and sports development. His dedication to teaching, research, and sports promotion continues to inspire students and professionals alike.
