

Mr. Sushil Singh Paliwal
(A Dedicated Educationist and Social Worker)

Mr. Sushil Singh Paliwal is a distinguished academician, education administrator, and committed social worker known for his significant contributions to the field of education and community development.

He holds a Master of Science (M.Sc.) in Physics and a Master of Arts (M.A.) in Education, reflecting his strong academic foundation and deep understanding of both scientific knowledge and educational philosophy. His academic excellence has guided his long and impactful career in the education sector.

Mr. Sushil Singh serves as the Principal of R. K. Junior College, Kalyan (West), where he is recognized for his visionary leadership, disciplined administration, and dedication to student development. Under his guidance, the institution has maintained high academic standards and a value-based educational environment.

In addition to his role as Principal, he is also the founder and owner of several educational institutions, contributing significantly to expanding access to quality education. His efforts have helped many students receive proper academic guidance and opportunities for growth.

He is actively involved in educational and intellectual organizations. **Mr. Sushil Singh** serves as the Secretary of Gyandeep Library, Kalyan (West), promoting reading culture and intellectual awareness in society. He is also the Secretary of R. K. Vidya Prasaran Mandal's Arts, Commerce and Science College, Murbad, Thane (affiliated with the University of Mumbai), where he contributes to academic planning and institutional development.

Apart from administration, **Mr. Sushil Singh** is a thoughtful writer. His articles are regularly published in various newspapers and magazines, where he shares insights on education, social values, and contemporary issues, influencing a wide readership.

Beyond academics, he is widely respected as a popular and dedicated social worker. Through his educational initiatives, community service, and social involvement, he has positively impacted many lives and earned recognition for his commitment to society.

Mr. Sushil Singh Paliwal stands as an inspiring example of an educationist who combines knowledge, leadership, and social responsibility for the betterment of society.
